MEMORANDUM FOR THE RECORD

SUBJECT: Director's Conversation with John Ehrlichman
Re Rehnquist Report

Today the Director told me of his phone conversation with John Ehrlichman, Assistant to the President for Domestic Affairs, in which the Director explained that Frank Slatinshek, staff of the Nedzi Subcommittee of House Armed Services, was anxious to get relevant material for the upcoming Nedzi Subcommittee deliberations on the handling of classified information and the espionage laws. The Director said he understood that Mr. Slatinshek was particularly interested in the current status of the Rehnquist report, and we would like to assist him. Mr. Ehrlichman said that the report was undergoing final revision and should be ready in a couple of weeks at which time he saw no reason why it should not be made available to appropriate congressional committees.
